Animal Welfare of Luxor - AWOL - gives free animal care and education to the poorest people of Luxor. We work from our mobile unit outside of the tourist areas on the west bank of the Nile, in the villages of Armant and El Marise, where the building of the AWOL Medical Centre is currently well advanced (November 2011).

Dr Mohammed and I never know what we will come up against out in the villages, or what time we will get back. They are hard, dusty, but ultimately very rewarding days. We are frequently surrounded by many owners and their injured or ill animals as they wait for treatment. When an animal is in pain their behaviour is unpredictable so for this reason it is not safe for us to take supporters out into the villages.

## AWOL Luxor

The AWOL team in Luxor - Dr Mohammed, Nasser, Heba, Graham and I look forward to meeting you when you are in Luxor. We always enjoy meeting supporters and look forward to meeting you at the AWOL Centre once it is open early in 2012, but until then perhaps you would like to meet Graham and I at **Africa Restaurant** (details below). Sorry but most Luxor hotels are too expensive for us to meet you in.

I always try and answer my phone, but when we are out with the animals it is more than often rather hectic, so if you don't get an answer please do call back.

**Don't forget that if you are using your UK mobile in Egypt you must put +2 before my number.**

## Africa Restaurant

We really do enjoy *Africa Restaurant* as it always offers a very friendly welcome with good quality Egyptian food at a very reasonable price. To get to *Africa Restaurant* from Luxor take the tourist ferry across the Nile and then walk straight up the road (it is only a short distance so you do not need a taxi). As the road curves to the left follow it round and you will see *Africa Restaurant* just ahead of you. There are many signs to *Africa* which is on the roof and easily seen. Make sure it is *Africa* **NOT** *African Gardens* which is close by. Just give us a phone call to arrange a date and time to meet but of course it will have to be outside of our AWOL responsibilities.

**We look forward to meeting you when you are here in Luxor and wish you a safe journey.**
